**Benzinga + Gokhshtein Media Partner to Unveil the Future of Crypto**

On December 7-8, 2022, Benzinga, in partnership with Gokhshtein Media, is hosting the [Future of Crypto Conference](#) – one of the most timely and important events for the crypto, blockchain, and web3 industries.

This two-day event is packed full. The first day features a diverse lineup of prominent industry speakers who will share forward-looking market information and reveal new investment opportunities. In fact, Benzinga has rounded up some of the biggest names in the web3 and investing space, including Yuga Lab's Garga, Kevin O'Leary, and many more.

At past events, significant deals were made that have helped shape the industry. Business partnerships were formed, equity and debt investments took place, product licensing discussions were held, mergers and acquisitions were formed, and so much more.

During the event, attendees can also peruse the NFT Gallery, clink glasses at the cocktail reception, and develop new relationships with like-minded investors and entrepreneurs at the Networking Space. Stick around for day two, which wraps up the conference with the Global Fintech Awards ceremony.

With hundreds of industry leaders in attendance, the Future of Crypto Conference is the place to be. Founder of Gokhshtein Media, David Gokhshtein, shares: "I'm excited to see the events that Benzinga is hosting for Crypto and Fintech in New York City. It's important to see how they will feature thought leaders in our industries and continue to develop ideas that we all need for the future."

To get in front of the brightest minds in crypto and gain intel on what could be the next big 10x investment, purchase your ticket through [Eventbrite](#) and use promo code 'DAVID20' to get 20% off your ticket price. Ticket options include General Admission, Double Header, or VIP passes.

The 2-day Future of Crypto Conference will be held at Pier Sixty, 60 Chelsea Piers, New York, NY 10011, from 9 am to 6 pm EST.
